Feedback from Students on Curriculum 2018- 2019

III-BCA (SF)

No of Response – 10

Course name & code –PERSONALITY DEVELOPMENT – JCSB5A

Curriculum:

Analysis Report:

Having analysed the above chart concerning the students' feedback on curriculum, the following is understood:

Majority of the students are happy about the prescribed curriculum in terms of its content, its objectives, and its positive outcome upon the knowledge of the students. They also feel that the curriculum demands students' strength, which is good.

The tasks of writing tests and assignments were also appreciated by the students. When asked about the simplicity of curriculum and the materials provided, they were unsure of their opinions

Analysis Report:

Having analysed the above chart concerning the students' feedback on curriculum, the following is understood:

Majority of the students are happy about the prescribed curriculum in terms of its content, its objectives, and its positive outcome upon the knowledge of the students. They also feel that the curriculum demands students' strength, which is good.

The tasks of writing tests and assignments were also appreciated by the students. When asked about the simplicity of curriculum and the materials provided, they were unsure of their opinions
