

St.John's College, Palayamkottai

Policies for Scholarships/Awards

In the meeting represented by The Principal and the select faculty members of the institution at The Principal's office at 12.00 pm on 15/12/2014, it is decided to maintain a philanthropic stance by awarding Institutional Scholarships along with Endowment Awards as provided by the Agencies (Government / Non government) and the Institutions as well. Specifically it is resolved to give the awards as per the following conditions.

1. Be a student of St. John's College
2. If a student fails in a promotion examination, then he/she is no longer entitled to receive the scholarship from the next academic year for this award.
3. Every student shall receive scholarship for a maximum of three (3) academic years.
4. Scholarship recipients must have an outstanding education record, be of exceptional character and, preference shall be given to students from economically, backward class, orphans or physically challenged students. The head of the respective department will recommend and endorse the students of the awardees.

Scholarship / Awards recipients:

1. Students who have an excellent academic record.
2. Students who have an outstanding sports record.
3. Students who are orphans and economically weak.
4. Faculties who complete their Ph.D.
5. Faculties who have attended National / International conference.
6. Faculties who have published research articles.

7. Faculties who have published research articles in Scopus Index / Web of Science Journals.
